

2025 ELMWOOD CEMETERY SPRING CLEAN-UP ANNOUNCEMENT

Spring is in the air and spring clean-up is right around the corner. We are asking all residents to please remove all adornments from grave sites to allow for clean-up to be completed. Spring clean-up will be Monday, May 12th through Friday, May 23rd. This should be an adequate time allowed for the removal of all personal property from the cemetery. Please remember our leaf blowers and mowers could potentially damage items left on the grave site. We will not guarantee any items left on the grave sites will not be disposed of. Residents will be able to place summer adornments starting Saturday, May 24th, 2025. The city would like to thank all residents for their understanding and cooperation during the spring clean-up process. Please contact Ben Yoder with questions or concerns in regards to the clean-up activities at (989) 348-2131 x103.
