

Elmwood Cemetery Fall Cleanup Announcement

We are asking all residents to please make an effort to remove all summer adornments from the grave sites to allow for fall cleanup to begin October 21st, 2024. This should be adequate time to allow for the removal of all personal property from the cemetery. Please remember, our leaf blowers and mowers have a tendency to blow items left on the grave site. Any items left at the grave sites may be disposed of.

Residents will be able to place winter adornments starting November 8th, 2024. We would like to thank all residents for their understanding and cooperation during the fall cleanup process. Please contact Ben Yoder, Cemetery Director, 989-348-213, with questions or concerns in regards to the fall cleanup activities.
