

Elmwood Cemetery Fall Cleanup Announcement

We are asking all residents to please make an effort to remove all summer adornments from the grave sites to allow for fall cleanup to begin October 20, 2025. This should be adequate time to allow for the removal of all personal property from the cemetery. Please remember, our leaf blowers and mowers tend to blow items left on the grave site. Any items left on the grave sites after October 21 may be disposed of. Residents will be able to place winter adornments starting November 7, 2025. We would like to thank all residents for their understanding and cooperation during the fall cleanup process. Please contact Ben Yoder, Cemetery Director, with questions or concerns regarding the fall cleanup activities, 989-348-2131 ext 103.
