

ORDINANCE NO: 2018 - 01

Chapter 27

PEDDLERS*

Sec. 27-5. Business Sponsored Peddler/Vendor

- (A) Any business may apply for a Business Sponsored Peddler Permit and be subject to the applicable fees as set by the City Council. The business must be the applicant for the permit. The business assumes all liabilities of the peddler. The peddler operation must be located on the sponsoring business' property as noted on the application.
- (B) Business Sponsored Peddler Permits shall be valid only for the time period approved on the permit. Permits will be valid for not longer than 30 days. Permits shall be granted on a first come first serve basis. However, no permit application will be accepted more than 30 days in advance of the first requested commencement date.
- (C) No more than 10 Business Sponsored Peddler Permits shall be approved to be active on any given day.
- (D) No Business shall request more than 5 Business Sponsored Peddler Permits to be active on any given day. Nor shall the City approve more than 5 Business Sponsored Peddler Permits for the same business entity to be active on any given day.
- (E) Any business with an approved Business Sponsored Peddler Permit who does not actually put the permit to use during the time period as provided in the permit shall be subject to having its permit forfeited and the City retains the right to deny future permits to that business.
- (F) Peddlers must meet all State statutes, local ordinances and any applicable administrative agency rules before any operations begin.
- (G) All food-oriented peddlers shall hook up to the City's water and sewer infrastructure if the peddler is to remain on the sponsored business's property for more than 7 days.
- (H) All peddlers will have 3 days after permit expires to remove all belonging's and debris.
- (I) All other applicable requirements described within this ordinance regarding peddlers shall apply. The City retains the right to promulgate reasonable policies, rules and regulations to effectuate the provisions of this section.
