<u>SITE PLAN</u>: Attach 1 set of building plans, and a site plan containing a survey and diagram of proposed structure location of lot, including front, side, rear setbacks and lot lines, utilities, easements, existing buildings, sewer, water, etc.

INSPECTION: In order to verify compliance with this permit, it will be necessary for the Zoning Administrator or his/her designated agent to enter upon the premises at reasonable times until a certificate of occupancy is issued. Authorization is granted by signature.

NOTICE: The approval issued here is a zoning or land use approval, indicating this governmental unit's approval of the proposed use of the property involved. It is now mandatory that you apply for a Building Permit from the Crawford County Building Department 200 W. Michigan Ave., Grayling, MI 49738. (989)344-3233. You must take a copy of this permit, and two sets of plans. The plans will be checked for code compliance before the permit is issued. Other applicable permits may be required, such as: Health Department, Electrical, Plumbing, Building (for structure only), and Mechanical (heating & cooling).
