

Run Water Policy

Effective of 3-12-2018

WHEN THE CITY ORDERS A RUN WATER NOTICE

Water bill for the quarter of the run water notice, will be billed using a previous quarter billing that has not had adjustments. This will be determined by City Council prior to the run water billing quarter.

No adjustments will be made to the water bills unless they meet the criteria of the Water Line Breakage Credit Policy and approved by the City Manager.

Approved 03-12-2018
