Shall the tax limitation upon the total amount of general ad valorem taxes imposed upon real and tangible personal property for all purposes in any one year under Article IX, Section 6 of the Michigan Constitution in the County of Crawford, Michigan, be increased in the County of Crawford by 0.3000 mills (which is equal to \$0.3000 per \$1,000 of taxable value of all such property) for a period of six (6) years, 2024 through 2029, inclusive, for the purpose of paying costs of operating the Crawford County Transportation Authority (known as Dial-A-Ride), and shall the County of Crawford be authorized to levy such a millage for said purpose?

The amount of revenue the County will collect if that millage is approved and levied by the County in the first year is estimated to be \$256,934. The proposed millage is a new additional millage, and, to the extent required by law, a portion of the revenue from which is expected to be captured and disbursed to the Crawford County Brownfield Redevelopment Authority and such other or fewer local units of government as the County Board of Commissioners determines appropriate.
